### HOW TO PARTICIPATE

Join Brigid's Path for a night of fun, music and creativity!

Local, costumed singers will perform to raise money for Brigid's Path, Ohio's first and only newborn recovery center. Attendees will vote for the Best Masked Gem of Dayton while enjoying delicious food and drinks, a silent auction, and more!

#### Be a Singer!

We need outgoing singers who are willing to have fun and try something new! Identities for the singers will be known and shared publicly/promoted by Brigid's Path ahead of the event; costumes and song selection will remain private/secret until the grand reveal. Singers will each perform one song (in full, masked costume), with a second song prepared for an encore/tiebreaker. Each singer commits to raising at least \$7,500 before the event.

## Sponsor a Singer!

Have a team or group of friends but aren't vocally gifted? We can pair you with a singer to support their fundraising efforts and cheer them on at the big event! Brigid's Path can also provide fundraising ideas, sample social media and email templates and more.
